SACRAMENTO ATTORNEY WINS FAIR BRIDE

Engagement of Miss Emilie Poppe to A. R. Grinstead Announced at Pretty Afternoon Gatnering on Thursday.

At a pretty afternoon gathering and "500" party at the home of Mr. and Mrs. Robert A. Poppe, the engagemet of Misss Emilie Roberta Poppe and Allen Ray Grimstead was announced this week. The news of the engagement of the beautiful daughter of the prominent lawyer and politician to the Sacramento attorney and college graduate had been known to a few close friends of the familyfor some time, but the formal announcement was in a delightful manner at the party on Thursday.

The spacious home was artistically decorated in gilded baskets of seasonal blossoms in rarely beautiful pastel colorings.

After a social hour or two around the card tables, refreshments were served and a dainty embroirdered napkins held the happy announcement of the engagement on little cards bearing the names of Miss Poppe and her fiance.

The charming and talented girl was straightway deluged with good wishes and the remainder of the afternoon spent in felicitation, music and feasting. Miss Poppe is a teacher in the Sonoma High school. She is a University of California graduate and with her classic education is endowed with natural musical ability which has been highly cultivated. She is both a pianist and vocalist of rare talent and a young woman of domestic as well as artistic accomplishments.

The wedding of Miss Poppe who is grand-daughter of Mrs. J. A. Poppe, wealthy pioneer merchant of Sonoma and daughter of Col. R. A. Poppe the president of the Board of Trustees of the State home, and Mr. Grimstead will take place in the Autumn. They will reside at the State capital where the groom is connected with a Federal department.

FAST RIPENING APPLES SPEED UP PACKING

Sonoma Valley Apple Growers Association Shipping Carloads of Famous Valley of the Moon Brand Apples to Eastern Market.

The present weather has been very favorable for the ripening of the Gravenstein apple crop in Sonoma Valley and as a result growers have been bringing them in thick and fast to the big packing house of the Sonoma Valley Apple Growers Association at Vineburg. The packing house is a busy place, for this week the Earl Fruit Company began to pack pears also. The apple growers thought the 1921 apple crop was to be a short one and so leased floor space to the pear packers but with the Gravensteins coming in all at once and twenty-five sorters and packers working on apples the packing house is being taxed to capacity.

The first of this week 12 carloads of Moon Valley apples had already ben packed into refrigirator cars and started on their three week's journey to the Atlantic coast. Some were consigned to Texas where our brand of apples are in decided demand. Fred Rubke, secretary of the Apple Growers Association, says that there is no car shortage thus far this season and that refrigerator cars are promptly furnished by the railroads for transporting Sonoma Valley's apple crop.

A carload of apples comprises 665 boxes and 75 per cent of these must be A or fancy quality. Standardization requirements this year are very strict and the rigid inspection has caused many excellent apples to get into class B on account of sun bleach which this year is quite noticeable among all apples being brought in. The first grade apple must have a perfect complexion and be perfect all the way through.

The consumer paying a big price for fancy Sonoma apples gets perfect fruit plus flavor and keeping quality. The Valley of the Moon brand is pooled with Sebastopol apples and marketed by the association at the same prices as all Sonoma County apples they handle. Prices in the Eastern markets this year are very good.

The culls this year are better than usual and are bing bought by G. Sorini to convert into cider and vinegar.

Prof. L. H. Golton spent last week at Lodi with relatives. Mrs. Golton and the children remained for the week.

Mr. and Mrs. J. F. Prestwood went to San Rafael last Saturday to visit their son Rodney and family.

TO CLEAR OFF FIRE ENGINE DEBT AUG. 25

Benefit at Boyes Springs Theatre to Pay For "Valley Angel."

One big night should be August 25 at Boyes Springs theatre, for that is the time set for the benefit vaudeville entertainment and dance to clear off the debt of the new fire engine, the "Valley Angel."

The "Valley Angel" was added to the Boyes Springs volunteer fire department's little chemical "Red Devil" this season and has already been rsponsible for saving about $50,000 worth of property. The engine has made good and now it wants to be cleard of debt and Chief Cause hopes the response from the well protected public wil be so spontaneous and generous that the entire debt can be wiped out this season. If every home owner will give a $5 contribution as a minimum and see to it that friends and neighbors take a dollar ticket for the benfit, the fire department will not have to worry. Sonoma Valley should be proud indeed of the volunteer firemen and give them every aid possible for they are furnishing us magnificent protection.

Remember the benefit date, Thursday evening, August 25th and between now and then let us all get behind the fire department good and strong and answer the call for funds to pay off the "Valley Angel's" indebtedness.

Prominent Farmer and Old Resident Passed Away Monday After Serious Illness.

Weakened from long suffering and the effects of an operation performed in the hopes of saving his life, Ephriam M. Cutter of a pioneer Sonoma family, passed away at a local sanitarium Monday.

His condition had become quite hopeful the week previous and his family and friends hoped the crisis had passed but his heart suddenly failed him and he passed peacefully away surrounded by his dear ones.

Mr. Cutter grew to manhood in Sonoma Valley and through industry and thrift became one of the most successful farmers and orchardists of the Vineburg section. When in his early twenties, he married Miss Florence Manuel and of this happy union one son, Cedric Cutter, was born and with the widow is left tomourn a devoted and honorable parent. Mr. Cutter was an exemplary man. His home and friends were dear to him and he loved the great out-of-doors and recreations such as hunting big game and fishing. He was a true sportsman and good comrade on many trips which are recalled by those who will miss his kindly presence in our midst. In his business he has had the help of his son in whom he inculcated many good principles and who will take up the work on the farm and carry it on.

Deceased was the son of the late Captain Cutter and a brother of Charles Cutter, also a prominent farmer of Sonoma Vallley. He was 54 years of age. The funeral took place from the family home near Vineburg on Wednesday.

The pall bearers were Messrs John Wagnon, R. E. Perkins, Geo. Cassidy, E. Dunn, Frank La Vine and Gus Seipp.

REFORMER NOW INFRINGES ON SATURDAY NIGHT. That reform if given an inch will take a mile and force it's views on society in anything but a temperate manner is constantly being demonstrated in these days of puritanic zeal. A dispatch from one town in California tells of a minister there who is not only objecting to the kind of motion picture films being shown in his town, but also objects to Saturday night shows because they keep people up late, and as a result attendance at church the next day is not what it should be. Not satisfied with the joy killing program to be enforced on religious and irreligious alike on Sundays, the reformer is now to purify, sanctify and petrify Saturday nights, and make grim preparatory hours to his puritanic and rigid Sabbath. A little more governmental encouragement, and reform will brazenly take over the reins of the country and we will have a rule of church instead of State. History could easily repeat itself. With present intolerance being encouraged as it is there is in what is apparent today, the most dangerous undercurrent with which modern civilization has ever been beset. It may look innocent to some but to those who view it from a socological point of view, the present reformative trend suggests prompt and drastic curtailment if American value and would preserve the altar upon which their forefathers set up freedom.

OVERNIGHT DESPOTISM. Unpopularity is a poor word in connection with the attempt to enforce the nation's "dry" laws. Unacceptable would be better, for it is plain that there is something wrong where a law is so hard to enforce. The consent of the governed was never obtained to the enactment of Volstead laws, so what can you expect but lawlessness and endless expense in enforcement. It is quite natural that the masses viewing other civilized nations and their broader codes should resist being muzzled by laws totally inconsistent with the spirit of the Constitution of this country. Attempted discipline of this sort on red blooded individuals is bound to be met with resistance. The present state of affairs is the natural consequence of over night despotism.

DONT MOB JAPANESE EXCLUDE THEM. Mob action spells hot-headed prejudice and does not help California's plea for exclusion as in the case of the Japanese recently mobbed in the melon fields of Turlock. There has been calm, earnest, deliberate and dispassionate judgment along economic and racial lines here in California where we have had a chance to observe the peaceful penetration of the Japs, and all good citizens deplore the ill-advised direct action of the mob which may hurt our just claim to proper exclusion laws in Washington, D. C., and win us nothing but a reputation for rowdyism.

COUNTY IMPROVEMENTS INCLUDE PAINTING BRIDGES

Supervisor Fred Lowell had everything in the bridge line spic and span when his colleagues were down here this week. Not only could he point with pride to the new Cooper bridge but he also showed the Board the eight bridges recently repainted, the white approaches being appreciated by motorists at night and the structuers presenting a very well kept appearance. Supervisor Lowell believes in keeping up the county property as he would his own. The painting contract was done by a Sonoma firm, Muller and Downey, and thus some of the taxpayers money finds its way back to Sonoma as it should. Whether painting or printing if it can be done in Sonoma, the Supervisor of this district should see that local business gets its share.

RESOLUTIONS OF SYMPATHY

Adopted by Valley of the Moon Chamber of Commerce at the regular meeting held at Cabanot's Hall, Thursday Evening, July 21st, 1921.

Whereas, It has pleased the Almighty to remove from our midst, by death, our esteemed friend and citizen, Charles Dal Poggetto, who has for many years occupied a prominent rank in our midst, maintaining under all circumstances a character untarnished, and a reputation above reproach, therefore be it

Resolved, That in the death of Mr. Dal Poggetto we have sustained a great loss to the valley and community, and of a friend whose fellowship it was an honor and a pleasure to enjoy; that we bear willing testimony to his many virtues, to his unquestioned integrity and stainless life; that we offer to his bereaved family and mourning friends, over whom sorrow has hung her sable mantle, our heartfelt condolence and pray that Infinite Goodness may bring speedy relief to the burdened hearts and inspire them with the consolation that Hope in futurity and Faith in God give even in the Shadow of the Tomb.

Be it further resolved, that a copy of these resolutions be spread upon the minutes of this organization, and published in the local newspapers, and that a copy be presented to the family of our deceased friend.

PETALUMA'S HIGH SCHOOL ELECTION INVALID

From the Petaluma Argus of Monday:

"It is with great regret that the Argus is compelled to announce that the bonds recently voted by the citizens of Petaluma High School District for the proposed Junior High School have been declared defective owing to a number of technical errors which occured no doubt due, to the short time in which the officials had to prepare for the said election and they will not be offered for sale, but the Board of Education will immediately prepare for a new election to be held later in the year, and this time, due to the experience gleaned in the recent election, there will be no errors.

"The election was an unnusually difficult one owing to the conflict in municipal and school laws, the recent changes made by the legislature and the annexation of outside high school districts to say nothing of the unusual conditions due to the separate school and high school districts.

"A number of technicalities now have been discovered which have caused District Attorney G. W. Hoyle to officially turn down the bonds which action was taken on Monday.

"Among the errors were the ommission of the words Sonoma County" in places, said omissions being declared very vital; the fact that the members of the Board of education did not sign certain posted notices, etc."

COUNTY ASSESSOR TO ADDRESS SONOMA BUSINESS MEN

County Assessor Hoke Smith will address the Sonoma Business mens' Association at the regular meeting in Woodmen hall Monday night The official will speak on Taxation and Revenue and the manner of handling the business of the county. Mr. Smith is a good talker and has many friends among local business people, so the attendance will undoubtedly be a good one. A smoker and refreshments will follow the meeting.

It is hoped by then to have a reply from the State Highway Commission on the matter of deciding the route of the highway between here and Santa Rosa. When the Commissioners were here they declared that their choice would be made known within six weeks, but as yet no decision has been given out.

This is to be an open meeting of the Businessmens' Association and the public is invited to attend.

WHAT AN OHIO PAPER THINKS IS THE MATTER

Prohibition is one of the chief causes of the present depression in business. The working man, after working hours, has to get his drink, and as long as he has to pay $2 for these two drinks he can not come down on his scale of wages. As wages cannot be reduced because of the high price of liquor, this country cannot compete with other countries in the world's market, and this means loss of hundreds of millions of dollars.

The above is contributed by the Cleveland Plain Dealer.

Mrs. Muller of Vallejo was here last Sunday visiting her daughter Mrs. Downey of the Baxter tract.

Mrs. Grover Rubke and Mrs. A. F. Hopke accompanied by the latter's nieces, the Buzzini children motored to Suisun one day this week.

NEW FILMS OF SONOMA COUNTY SHOWN HERE

At the Farm Center meeting here Wednesday evening, the recetly made films of industries and scenes in Sonoma County were shown for the first time to a Sonoma audience. The movies were made through the efforts of the Sonoma County Board of Trade and will be used to advertise Sonoma County. Sonoma Valley loomed up well in the movies although the films were considerably deleted. The old mission San Francisco de Solano made a very attractive picture with its historic bell and the El Camino Real sign post. The mineral srings and swimming tank and vista of the valley were excellent. Jack London's "Valley of the Moon" was featured. Misss Blanche Bianchini holding a copy of the well known book while in the background a delightful scenic bit of the valley is visible. . The Sonoma Farm Center decided to participate in the coming County Fair.

U. S. TUBES

The same standard of quality built into U. S. Tires is put into U. S. Tubes.

Why some men seem to have all the tire luck —

YOU probably know a man whose car is a hobby with him. He knows just *why* it's the best little old car there *is* of its class.

And he'll stand up for that car against the world in any kind of an argument.

* * *

Year by year an increasing number of men feel the *same way about U. S. Tires.*

For a while they may try "job lot" stuff, "bargains," "big discounts" and "rebates."

But usually it doesn't take long for a man to sense the *economy* of the *standard quality* tire.

For *years* U. S. Tire makers have been building quality tires for sane tire users—for the car of medium or light weight no less than for the heavy car.

The tire buyers of the land have responded with a mighty *U. S. Tire following.*

* * *

"Find the U. S. Tire dealer with the full, completely sized line of fresh, live U. S. Tires."

The U. S. Tire makers meet the responsibility for supplying this nation-wide following with characteristic energy.

Ninety-two U. S. Factory Branches are established, covering the entire country.

Find the U. S. Tire dealer who has the intention of *serving you.* You will know him by his full, completely sized line of *fresh, live* U. S. Tires—*quality first,* and the same choice of size, tread and type as in the biggest cities of the land

JULY 30, 1921

SONOMA MEMBERS PARTICIPATE IN B. P. O. E. DOINGS

Sonoma was well represented at the bigs Elks picnic at McCray's near Cloverdale last Sunday. It was a picnic de luxe, with elegant box lunches provided by the committee, music by a special band, dancing and entertainment. Among those who went from here were R. R. Empar-Maffei and Vic Leveroni.
an, Roy Johnson, Wm. Daly, Theo. Kiser, Sam Lewis, H. F. Bates, A.

Wednesday was "Valley of the Moon" night at t he Elks' Santa Rosa lodge and a number of Sonomans joined the Order. After the initiation ceremonies a raviola banquet was served. Among the new Elks are Ed Lindley, James Tate, Oliver and James Maffei, Dave Eraldi, F. C. Wilson, Joe Keechler Jr., and Gus Marcy. There were also a number of Eldridge residents who went into the paddock Wednesday evening.

BAKERY TRUCK LANDED IN DITCH

Through the tangling of a tow rope with the steering gear of the Old City Bakery delivery truck which was being towed to a garage by the big Mission Creamery truck, the bakery wagon with its driver, pies, cakes and bread went into the ditch near the Northwestern depot Tuesday morning. The bakery delivery truck stalled near the depot and the Creamery truck offered to tow it to a garage. Something went wrong and Mr. Ruefli, the baker was unable to make the Creamery truck's driver hear his S. O. S. As a result the little bakery truck dropped into the ditch and was quite badly damaged.

La PEER TO APPEAR IN COURT OVER OIL DEALS

All does not appear to be well (oil and otherwise) with H. F. La Peer, oil speculator of Sonoma Valley and as a result La Peer will appear in court to answer to the suit of his erstwhile partner L. W. Martin who has placed an attachment of $4,700 on five oil leases held by La Peer in Sonoma Valley.

La Peer was to set up a derrick on the Wattriss-Serres ranch but the option time is almost up and as yet the machinery to begin development work has not arrived.

La Peer's failure thus far to make good on Sonoma's expected oil boom is causing no concern in this valley which is on the verge of one of the biggest oil booms in California.

Basaglia have this week completed the improvements on the Sonoma Valley Bank which renders the banking house 100 per cent equipped for efficiency in the handling of its constantly increasing business.
